Dear Parents,

On Wednesday 27\textsuperscript{th} July the children will be celebrating their 100\textsuperscript{th} day of school! They are very excited as we have been marking off days since the beginning of the year and we promised them a celebration.

To make the day extra special, we are asking the children to dress up around the theme of '100'. They might come dressed as a 100 year old person, as the number 100, with 100 things attached to them etc.

We will not do reading in the corridor on this day as the excitement factor may make things a little chaotic.

Regards

Jackie, Caz, Clare, Bri and Ash
